Mr. Livingston is the youngest son of Col. and Mrs. J. H. Livingston. He grew up to young manhood here and was always popular with all who knew him. He was a graduate from the Ocala High School in the class of '98. For the past several years he has been traveling for the Belknap Hardware Company, of Louisville, and made his headquarters at Norfolk, Va. He was highly thought of by this firm and received splendid recommendations from them.

Beginning September the first Mr. Livingston will be the general manager of a large hardware company at Salisbury, Md., he himself being one of the stockholders of the company.

Mr. and Mrs. Livingston will come to Ocala in a few days to spend a portion of their honeymoon with Mr. Livingston's parents. They will be warmly welcomed by the many friends of the groom.

A Worm Killer.

J. A. J. Montgomery, Puxico, Wayne Co., Mo., writes: "I have little twins girls, who have been bothered with worms all their lives. I tried everything to relieve them which failed until I used White's Cream Vermifuge; the first two doses brought four worms from one of them, the next two doses, twelve, one of them measuring twelve inches; the other child was only relieved of four worms. It is a most excellent medicine."

White's Cream Vermifuge is good for children.

It not only destroys worms, it helps the child to perfect growth, wards off sickness. Sold by all druggists. m

Betrothal Announced.

Cards have been received in this city announcing the betrothal of Miss Sara Isabel Fraser, of Whitecreek, New York, and Mr. James Austin Mortland, of Saginaw, Michigan, their marriage to occur in the fall.

Since leaving Ocala, Miss Fraser has made her home with relatives at Saginaw, Mich., and more recently at Whitecreek, N. Y. Mrs. Sue Richardson and her three daughters, their guest, Miss Cannte, of Jacksonville, and Miss Edith Bat-chelden went down to Lake Weir Saturday afternoon to spend a while at that popular resort.

THE HASBEENS WON.

They Showed the Younger Aspirants How to Play the Game.

The belated game of baseball between the Use-to-Be's and Never-Wases was pulled off on the South Third street grounds yesterday afternoon. It was up to the Use-to-Be's to show the younger generation how the game should be played, and this they did to the tune of 10 to 5. The Hasbeens demonstrated the fact that they have not forgotten how to hit the ball, and this they did, too.

From the time Ex-Chief Carmichael called "play ball" until the game was called at the end of the seventh inning on account of darkness there were sprinklings of energy and ginger, dumb play and errors. The long individual who played center field for the Use-to-Be's let it be known that he is a chaser of high flies. He killed the hopes of several of the Never-Wases. Col. Duval's pitching for the Hasbeens was of the gilt edge variety. He had curves and speed, and allowed only two safe hits.

Game was called with the Never-Wases at the bat. Ford led off, and was given a pass over the "big four" route. By excellent base running he pilfered the second and third sacks, and scored after Crom had caught Vogt's long fly to center. Cole and Moore circled the bases for the Never-Wases in the second act, and Ford added still another in the third.

The old time athletes got busy in the second. Chambers hit a long fly to left good for two bases, and tallied on Camp's hit over short. Chambers managed to work his way around to the third station and crossed the rubber on Anderson's safety to left.

The fourth inning was a Waterloo for the Never-Wases. Those of the Use-to-Be's who did not hit safely or make bases on errors were given free passes to first. When the inning closed eight more tallies were added to the score of the Use-to-Be's.

Bullock went around for the Never-Wases in the sixth inning. Then the score was 10 to 5 in favor of the Use-to-Be's.

In the first inning Vogt and Ford made a fast double play, and in the seventh Anderson and Chambers did the same thing. Score:

Use-to-Be's—0 2 0 8 0 0—10 8 8
Never-Wases—1 2 1 0 0 1—5 2 6
Batteries: Use-to-Bes, Duval and Schneider, Never-Wases, Moore, Vogt and Bullock. Umpire, Mr. Carmichael.

Nothing on the Market Equal to Chamberlain's Colic, Cholera and Diarrhoea Remedy.

This fact is well known to druggists everywhere and nine out of ten will give their customers this preparation when the best is asked for. Mr. Obe Witmer, a prominent druggist of Joplin, Mo., in a circular says: "There is nothing in the market in the way of patent medicine which equals Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. We sell and recommend this preparation." For sale by all druggists. m

Rev. J. P. Hilburn was at home Friday after an absence of nearly two months. He went to the Epworth League national convention which met at Denver, Colorado, as one of delegates from Florida. He visited many points of interest in the west and in every way his trip was a most thoroughly delightful and interesting one. Mr. Hilburn is again away attending to his duties as a presiding elder of the Jacksonville district.

Judge Joseph Bell, having given an acceptable bond, and received his commission, Friday entered upon the discharge of the duties of his office. His first official act was to issue a marriage license and then tie the nuptial knot for a young couple. The young couple whose "hearts now beat as one," etc., were Mr. Hessie J. Johnson and Miss Helen Callaway, both of this city.

Daughters of the Confederacy Entertained.

Dickson Chapter, U. D. C. held their regular monthly meeting Friday afternoon with Mrs. Frank Harris.

Owing to the threatening weather and the absence from town of many of the members only nine of the daughters were present. The regular business was transacted, quite a number of matters coming up for settlement.

An exquisite drawn work table cloth, which was made by Mrs. W. D. Whetstone, was exhibited at this meeting. This table cloth will be put on display at one of the stores and will be offered for sale. It is a very beautiful piece of work and should bring a big price. The proceeds will go toward the Confederate Monument Fund.

After the business meeting, ice cream and cake was served.

Next month Mrs. N. I. Gottlieb will be the hostess of the Daughters.

Ocala vs. Leesburg.

The Ocala Junior baseball team returned at noon Friday from their trip to Leesburg. While there they played two games with the Leesburg junior team. The first game was played Thursday afternoon the score being 11 to 5 in favor of Leesburg. A second game was pulled off Friday morning, the home team again being the winners, the score this time was 9 to 4.

Even though the Ocala team lost both games, they were finely treated and had a big time while visiting Leesburg.

A Touching Story.

is the saving from death, of the baby girl of Geo. A. Eyler, Cumberland, Md. He writes: "At the age of 11 months, our little girl was in declining health, with serious throat trouble, and two physicians gave her up. We were almost in despair, when we resolved to try Dr. King's new discovery for consumptinn, coughs and colds. The first bottle gave relief; after taking four bottles she was cured, and is now in perfect health." Never fails to relieve and cure a cough or cold. At Tydings & Co. 50c and \$1.00 guaranteed. Trial bottle free. m

Lecturing a Preacher.

When Bre'r Carpenter "writ his piece" to the Advocate, we wonder if those beautiful words he uttered in print, such as "false," "malicious," "mean," "low-down," "contemptible," "scurilous," etc., etc., etc., do not stand for the same thing that newspapers use the dash for? Thus: "Bill Jones referred to the party as a —liar." Sam Smith called him a —thief." Evidently the polite language of each amounts to about the same thing.—Lake City Index.

Ocala to Have Another Saloon.

In spite of the wet and dry election that is now pending, Ocala is soon to have another saloon.

In our weekly edition will be seen a legal notice for a permit to sell liquors, wines and beer to Mr. George Davis and Mr. Harry Leavengood.

Messrs. Davis and Leavengood will open their saloon in a few weeks in the store next to Martin's livery stable which is now occupied as a millinery store by Mrs. Bostick.

Fiendish Suffering.

is often caused by sores, ulcers and cancers, that eat away your skin. Wm. Bedell, of Flat Rock, Mich., says: "I have used Bucklen's Arnica Salve, for Ulcers, Sores and Cancers. It is the best healing dressing I ever found." Soothes and heals cuts, burns and scalds. 25c at Tydings & Co. guaranteed. m

Mr. G. C. Goodwin, of Martel, came up Friday night to be present at the regular monthly session of the Ocala Woodmen. He is an enthusiastic chopper and is council commander of the Martel camp.

Sick headache results from a disordered condition of the stomach and is quickly cured by Chamberlain's Stomach and Liver Tablets. For sale by all druggists. m

To grow strong. Unless we get good meat we may as well let it alone. There is no strength in tough meat—instead of giving it takes strength to digest it. It pays to be careful in buying meat—be sure to get the best—tender and choice.
